Energy and Environmental Challenges

**ஆற்றலும் சுற்றுச்சூழல் சவால்களும்
கருத்தரங்கம்**

**VENUE: MARTHANDAM COLLEGE OF ENGINEERING
KUTTAKUZHI
JULY 16, 2011 SATURDAY 9.00 AM**

Dear Sir/Madam,

Greeting from Kumari Arivial Peravai

KAP, you may be aware, is a voluntary group doing selfless service to the rural students of Kanyakumari District. The Organization is comprised of dedicated leaders from various fields-viz, Scientists, Principals, Professors, Teachers, Doctors, and those who have made their mark in life. Through various enlivening programmes, mostly on holidays, KAP promotes scientific enquiry and nurtures talents of students of class VIII. During the course of training, the resource persons motivate them to attain academic excellence and develop leadership qualities. The year-long programme culminates with two important events: (i) a power-point presentation and an interactive session with eminent Professors and Research scholars of a reputed University, (ii) a colourful 'Young Scientist' award ceremony.

This year, the topic chosen for special study is 'Energy and Environmental Challenges'. You are requested to send the names of 5 talented students from Class VIII on or before 7.7.2011 to the organizer. The programmes are conducted in Tamil and English. KAP will choose 50 worthy students after a multi-stage, multi-faceted scientific selection process. We will be grateful if you can send two of your teaching staff as 'guide teachers'. The venue and other details of the inauguration ceremony are given below. (Kindly ask the students to bring lunch).

Inauguration & Seminar on **Energy and Environmental Challenges at Marthandam College of Engineering, Kuttakuzhi**, (near Swamiyarmadam) on Saturday 16.07.2011(9.00am to 4.00pm) We earnestly request your co-operation in this noble venture.

Yours sincerely

Mullanchery. M.VELAIAN Organiser,

Kumari Arivial Peravai
