

KUMARI ARIVIAL PERAVAI
YOUNG SCIENTISTS PROGRAMME 2009-2010
PLANET EARTH

Report for the first meeting

Date : 24/10/2009

Day : Saturday

Place : Apollo study center, Marthandam.

Time : 3.00pm to 5.30pm

The young scientists selected by Kumari Arivial Peravai met first time in Marthandam Apollo study center at 3.00pm. Mr.Satish Kumar, the team coordinator of space team was the president of the meeting. Mrs.Stellabai, the guide teacher of our Space team welcomed all. Thiru Velaian, organizer of the peravai gave a nice and interesting speech for us. The young scientists of our Space team introduced themselves in front of all personalities.

Among the 129 students, 60 students are selected for young scientists programme 2009-2010. The 60 students are divided into 5 groups, namely Space, Sea, River, Land and Mountain .Each group contains 12 young scientists .My team is space.

Thiru. Satish kumar gave the details about the scientist, Doctor, Team coordinator, consultant and Guide teacher of space team. Then Mr. Velaian gave a nice introduction about the young scientists programme. When he was speaking, he said that it is an effective and useful programme. It must be used by the students skillfully. The young scientists must

participate in all types of activities which will be held in the camp. Organising, participating, inviting the guests, serving the food items, keeping the place neat etc., must be done by the young scientists only.

He told about the Scientific Awareness Camp which is going to be conducted in Lord Jeganath College of Engineering, Ramanathichanputhooor at 14th and 15th November.

When he was talking, he also told that the young scientists will get a chance to visit many places. He asked us to use the chance nicely.

Then the young scientists told about their daily routine, hobbies and their family members .It was very interesting to hear. Young scientist D.Ambarish Jeya Mano from S.N.M. Hindu Vidhyalaya, Krishnan coil is selected as team leader and the young scientist R.Dharsika from St .Joseph's Hr .Sec .School, Nagercoil is selected as team convener for the space team.

Finally we discussed about our team uniform dress and I.D Card. The young scientists are asked to assemble near Hotel Uduppi ,Vadasery on 14th November ,morning at 8.00am.

Tea was provided for all and the meeting was concluded with National Anthem.

Thank you all.

Marthandam,
Apollo Study Center,
Mano.

Yours Faithfully,
D.Ambarish Jeya
