

Dear sir/madam

Kumari Arivial Peravai is working for creating awareness and imbibe scientific knowledge among the school students in Kanyakumari District by way of Exhibitions, Competitions, Quiz programmes, Scientists and Students Interactions etc.

Kumari Arivial Peravai and the Science club of NVKS Higher secondary school, Attoor are jointly arranging an Interactive Programme between eminent scientists and students. In this connection the students are expected to raise any questions related to **Space Technology** either in Tamil or in English.

Kindly co-operate to make the programme successful.

Thank you

Yours sincerely
